Please Read The Following Terms And Conditions:

Mobile's billing terms are Net 30 days.

Any disputed charges must be brought to Mobile's attention within 15 days of client's receipt of invoice. All non-disputed charges are to be paid within 30 days. In the event Mobile must put an account into collection the client is responsible for paying all collection fees. In the event there are checks returned unpaid from the bank the client will be charged a \$15.00 fee. Mobile Must be notified in advance of any delivery that consists of any cash or valuables. Amounts of cash must be stated and the value of any items must be declared at the time the order is placed. The value of any package without a special declared value is considered less than \$100.00.

I have read and understood Mobile's terms and conditions and by signing below constitutes my acceptance of Mobile's rates, terms, and conditions.
